

Welcome to SpeedAdmin Play!

Soon we will be working in SpeedAdmin Play! – a new and simpler version of the SpeedAdmin you already know.

Timetables, messages and practical information – all in one place.

What you need to know

- Your login still works – use your usual username and password.
- No action needed – all your information has been transferred automatically.
- Download the free SpeedAdmin Play! app from the App Store or Google Play to keep everything at your fingertips.

How to get started

1. Get the SpeedAdmin Play! app – just scan the QR code below.
2. Log in with your usual username and password.
3. Forgotten your password? Use “Forgot password” on the login page.

Scan the code – App Store · Google Play
